

Meeting Agenda

Date/Location: 18-February-2020 at 9:30 at NSU Recreation Hall

Information Updates/Reminders

=====

- The next 1-1.5 weeks, we are going to select our coding standard.
- Everyone should have a clear idea about coding standard.

Decisions Needed

=====

- Decision about the language which will be used in our project.
- Decision about the spacing.
- Decision about comment writing.
- Decision about code casing (Camel casing or Pascal casing).

Working Items

=====

- ✓ First we have to acquire knowledge about coding standard like code casing, comment writing, spacing.
- ✓ We will choose coding language. Which language will be used for back-end and front-end?
- ✓ We will decide about camel casing or Pascal casing which one will be suitable for our project.
- ✓ We will also learn about the advantage and disadvantage about casing.
- ✓ We will choose about spacing.
- ✓ At last we will fix a date for upcoming meeting.
